1. Credit shall be expressly stated by you to Micron for use of the content, including any portion thereof, as follows:
  - a. “© 2025 Micron Technology, Inc. All Rights Reserved. Used with permission.”
2. You may not use the content in any way or manner other than for educational purposes.
3. You may not modify the content without approval by Micron.
4. You may not use the content in a manner which disparages or is critical of Micron, its employees, or Micron’s products/services.
5. Permission to use the content may be canceled/terminated by Micron at any time upon written notice from Micron to You if You fail to comply with the terms herein.
6. You acknowledge and agree that the content is provided by Micron to You on an “as is” basis without any representations or warranties whatsoever, and that Micron shall have no liability whatsoever arising from Your use of the content. Micron shall ensure that the content does not violate any statutory provisions and that no rights of third parties are infringed by the content or its publication. Otherwise, liability of the parties shall be limited to intent and gross negligence.
7. You acknowledge and agree that the content is the copyrighted material of Micron and that the granting of permission by Micron to You as provided for herein constitutes the granting by Micron to You of a non-exclusive license to use the content strictly as provided for herein and shall in no way restrict or affect Micron’s rights in and/or to the content, including without limitation any publication or use of the content by Micron or others authorized by Micron.
8. Except for the above permission, Micron reserves all rights not expressly granted, including without limitation any and all patent and trade secret rights. Except as expressly provided herein, nothing herein will be deemed to grant, by implication, estoppel, or otherwise, a license under any of Micron’s other existing or future intellectual property rights.

# How to cite sources from the Micron Educator Hub

- Micron is committed to collaborate with educators to make semiconductor memory education resources available through the Micron Educator Hub
- The content in the Micron Educator Hub has been identified by Micron as current and relevant to our company
- Please refer to the table on the right for proper citation

Use case	How to cite sources
<b>Whole slide deck or whole document</b>  Description: User uses the whole slide deck or whole document AS IS, without any modification	No additional citation required
<b>Full slide or full page</b>  Description: User incorporates a full slide or a full page into their own slide deck or document	“© 2025 Micron Technology, Inc. All Rights Reserved. Used with permission.”
<b>Portion of a slide or portion of a page</b>  Description: User copies a portion of a slide or a portion of a page into a new slide or page	This is not allowed
