Kaiser Permanente HMO Initial and Midyear Enrollment

If you are actively employed and classified by Micron as a regular, full-time or part-time team member or an intern of Micron Technology, Inc. ("Micron") or a wholly owned US-based Micron subsidiary, and are assigned to an eligible employment location in Micron’s internal database, you may enroll yourself and your Eligible Dependents (as defined by the fully insured Medical and Dental Plan options) in the Kaiser Permanente HMO by

using the Benefits Enrollment System. See Benefit Coverage section below on where to find additional information regarding the fully insured Medical and Dental Plan options.

Definition of Full-Time. A full-time team member is a team member who is actively employed and classified as full-time by Micron.

Definition of Part-Time. A part-time team member is a team member who is actively employed and classified as part-time by Micron.

Definition of Intern. An intern team member is a team member who is actively employed and classified as an Intern by Micron.

Supporting documentation is required for mid year changes and all Eligible Dependents. You are not automatically enrolled in the Kaiser Permanente HMO. You must enroll through the Benefits Enrollment System to obtain coverage.

How to Enroll. You enroll in the Kaiser Permanente HMO by using the Benefits Enrollment System at enrollnow.micron.com (using Micron’s Authenticator), or type ENROLLNOW/ in your browser’s address bar. If you require assistance, call the Global People Services at (800) 336-8918 or (208) 368-4748.

In addition to completing your enrollment elections within the enrollment deadlines, you must also upload supporting documentation for midyear events ("Event Documentation") and Eligible Dependents ("Dependent Documentation") on ENROLLNOW/ within 60 days of the event date. *Please note: the deadline for completing your midyear change enrollment is 31 days from the event date under the Kaiser Permanente HMO Plan. Only the supporting documentation deadline is 60 days.

Event Documentation may include but is not limited to enrollment confirmation documents, COBRA letter, copy of new insurance ID card with the effective date of coverage, that are consistent with and support the occurrence of the midyear event (as determined by Micron).

Dependent Documentation may include but is not limited to marriage certificates, Micron Domestic Partner Affidavits, birth certificates, or divorce decrees that are consistent with and support the occurrence of the midyear event (as determined by Micron). If you fail to provide proof of eligibility and/or supporting documentation within the time limit specified, the change will be denied and your Eligible Dependent may be deemed ineligible for part or all of the Plan Year.

If you are experiencing a delay or difficulty in obtaining evidence of dependent eligibility documentation within the 60 day deadline and feel you need additional time, you may request an extension by contacting the Micron Global People Services PRIOR to the deadline.

Documentation extensions are not permitted once you have exceeded the deadline. You must always timely complete the midyear enrollment process even if you receive an extension to provide documentation.

When to Enroll. You may only enroll yourself and your Eligible Dependents in the Kaiser Permanente HMO within 31 days of your hire date, following a qualifying midyear event, or at Annual Enrollment.

Kaiser Permanente. The Kaiser Permanente HMO may define eligible spouse differently by region. This may be different than the definition of spouse applicable to Micron Self Insured Medical Plans. Check with kp.org for definitions of spouse in your state.

Changing Your Enrollment. Subject to the midyear change rules defined by each Fully Insured Medical or Fully Insured Dental Plan, you will not be able to change your initial insurance enrollment until the next Annual Enrollment. See Benefit Coverage section below on where to find additional information regarding the fully insured Medical and Dental Plan options.

Changing Your Enrollment to Add or Remove a Dependent. You will need to follow the enrollment change rules in the Kaiser Permanente HMO, which require that **midyear changes be made within 31 days of the qualifying midyear event** (birth, divorce, marriage, etc.) by completing an Insurance enrollment at enrollnow.micron.com (using Micron's

Authenticator) or type ENROLLNOW/ in your browser's address bar. You may also add or remove dependents during Micron's Annual Enrollment. This may be different than the amount of time permitted to make midyear enrollment changes on Fully Insured Medical and Dental plans.

Enrollment Effective Date. If you enroll timely, the Effective Date of your and your Eligible Dependent's coverage depends on when you enrolled. For new hires the Effective Date is your hire date. If the enrollment follows a qualifying midyear event, the enrollment will be effective the first day of the calendar month following the event date, unless HIPAA special enrollment rights apply. If you enroll during Annual Enrollment, your enrollment will be effective on January 1 of the following year. If you are on an approved leave of absence under FMLA, the Effective Date of coverage will not be delayed.

If you return to full-time or part-time active employment after being absent or on leave for 24 (or 26 if SMFL for Caregiver Leave) consecutive calendar weeks, you may enroll yourself and your Eligible Dependents in the Kaiser Permanente HMO only if you enter a life event in the Benefits Enrollment System at enrollnow.micron.com (using Micron's Authenticator) within 31 days of your return from the approved leave of absence. Upon return from a personal leave, your coverage will go into effect the first day of the month after the month you returned from leave. Upon return from an approved military or FMLA leave, your coverage will go into effect on the date you return to work.

Confirmation of Enrollment. It is your responsibility to print and review your enrollment benefit confirmation statement. You can access a benefit summary or benefit confirmation at any time on-line using the enrollment system by accessing Enrollnow.micron.com (using Micron's Authenticator) from outside Micron, or type ENROLLNOW/ in your browser's address bar. Your benefit summary or benefit confirmation may be requested in the event of a dispute.

Cigna International Plan Enrollment

Team members and their Eligible Dependents

(as defined in the Cigna International Summary of Benefits) will be enrolled in the Cigna International Plan when commencing an expatriate assignment 185 days or greater. Team members and their Eligible Dependents will be enrolled in the Cigna International Plan at 185 days when an international assignment of 184 days or less is extended beyond 184 days. When your assignment ends, you will be disenrolled from the Cigna International Plan and will need to select another Medical Plan and Dental Plan option. If you do not make a selection, Micron will make a selection for you, and your enrolled dependents in the plan that most closely resembles your last US medical plan enrollment. If you wish to choose the fully insured Kaiser Permanente HMO Medical Plan option, you must do so within 31 days of the end of your assignment. You may choose a Micron self-insured Medical Plan option within 60 days after the end of your assignment. Your new Medical Plan coverage will be effective the first day of the month following your assignment end date in Workday. You may make similar elections for dental coverage, subject to the enrollment deadlines applicable to such coverage.

In addition to completing your enrollment elections within the enrollment deadlines, you must also upload supporting Event Documentation for midyear events and Dependent Documentation for Eligible Dependents on ENROLLNOW/ within 60 days of the event date. *Please note: the deadline for completing your midyear change enrollment is 31 days from the event date under the Cigna International Plan. Only the supporting documentation deadline is 60 days.

Event Documentation may include but is not limited to enrollment confirmation documents, COBRA letter, copy of new insurance ID card with the effective date of coverage, that are consistent with and support the occurrence of the midyear event (as determined by Micron). Dependent Documentation may include but is not limited to marriage certificates, Micron Domestic Partner Affidavits, birth certificates, or divorce decrees that are consistent with and support the occurrence of the midyear event (as determined by Micron). If you fail to provide proof of eligibility and/or supporting

documentation within the time limit specified, the change will be denied and your Eligible Dependent may be deemed ineligible for part or all of the Plan Year.

If you are experiencing a delay or difficulty in obtaining evidence of dependent eligibility documentation within the 60 day deadline and feel you need additional time, you may request an extension by contacting the Micron Global People Services PRIOR to the deadline.

Documentation extensions are not permitted once you have exceeded the deadline. You must always timely complete the midyear enrollment process even if you receive an extension to provide documentation.

Changing Your Enrollment to Add or Remove a Dependent. You may also add or remove dependents during Micron's Annual Enrollment.

Enrollment Effective Date. If the enrollment follows a qualifying midyear event, the enrollment will be effective the first day of the calendar month following the receipt of your request, unless HIPAA special enrollment rights apply. If you enroll during Annual Enrollment, your enrollment will be effective on January 1 of the following year. If you are on an approved leave of absence under FMLA, the Effective Date of coverage will not be delayed.
